FOR IMMEDIATE RELEASE:  
October 31, 2008

### **THE BC INSTITUTE OF FILM PROFESSIONALS CLOSSES ITS DOORS AFTER COMPLETION OF ITS MANDATE**

For 10 years, the BCIFP has served as an alliance of film industry stakeholders originally formed to ensure that the British Columbia film industry workforce is highly skilled and world class. BCIFP was supported by all sectors of the industry, including labour organizations, producers, suppliers, post production facilities and public and private educational institutions. The Institute's mandate was to ensure that the BC film and television industry workforce has access to high quality education and training programs and the association acts as a point of contact for the public, government, educational institutions and the industry. At the end of this era, the societies mandate has been completed.

### **THE BC FILM INDUSTRY ORIENTATION COURSE CONTINUES**

The BC Film Industry Orientation Course will continue to be offered throughout the province at various institutions. Course listings will be posted on local union and guild websites. All inquiries related to the course should be directed to the specific institution.

On behalf of the Society, I would like to thank all those involved with the organization for your hard work and dedication.

Regards,

Eileen Hoeter
